NOTICE OF PUBLIC MEETING of the Board of Directors of SOMERSET ACADEMY OF LAS VEGAS

Notice is hereby given that the Board of Directors of Somerset Academy of Las Vegas, a public charter school, will conduct a public meeting on April 6, 2021 beginning at 6:00 p.m. at 4491 N. Rainbow Blvd., Las Vegas, NV 89108 and via Zoom Webinar. The public is invited to attend. **Those attending in person must wear a mask. Attendance will be limited according to Governor Sisolak's most current directive.**

Please click the link below to join the webinar:

https://us02web.zoom.us/j/89552477128?pwd=TGZTb0JSNkZqNWZxMUZCSUk3anBsZz09 Passcode: 378391 or via phone: +16699009128 or +12532158782

Attached hereto is an agenda of all items scheduled to be considered. Unless otherwise stated, the Board Chairperson may 1) take agenda items out of order; 2) combine two or more items for consideration; or 3) remove an item from the agenda or delay discussion related to an item.

Reasonable efforts will be made to assist and accommodate physically handicapped persons desiring to attend or participate at the meeting. Any persons requiring assistance may contact Dena Thompson at (702) 431-6260 or dena.thompson@academicanv.com two business days in advance so that arrangements may be conveniently made.

If you would like copies of the meeting agenda, support materials or minutes, please visit the school's website at https://www.somersetacademyoflasvegas.com/ For copies of meeting audio, please email dena.thompson@academicanv.com

Public comment may be limited to three minutes per person at the discretion of the Chairperson. Please email dena.thompson@academicanv.com to submit or sign up for public comment.

AGENDA

April 6, 2021 Meeting of the Board of Directors of Somerset Academy of Las Vegas

A College Prep School

Cultivating Effective Leaders, Good Character and a Desire to Render Service

We prepare students to excel in academics and attain knowledge through life-long learning by dedicating ourselves to providing equitable, high-quality education for all students. We promote a culture that maximizes student achievement and fosters the development of accountable 21st Century learners in a safe and enriching environment.

(Action may be taken on those items denoted "For Possible Action")

- 1. Call to order and roll call (For Possible Action)
- 2. Public Comment and Discussion (No action may be taken on a matter raised under this item of the agenda until the matter itself has been specifically included on an agenda as an item upon which action will be taken.)
- 3. Consent Agenda (For Possible Action) (All items listed under the Consent Agenda are considered routine and will be enacted by one motion. There will be no separate discussion of these items unless a Board Member or member of the public so requests, in which case the item(s) will be removed from the consent agenda and considered along with the regular order of business.)
 - a. Minutes from the February 2, 2021 Board Meeting and the March 6, 2021 Strategic Planning Meeting
 - b. Approval of Recommendations from the Finance Committee:
 - 1. School Financial Performance (Not for Action)
 - 2. Acceptance of Project Aware Sub Grant Funds for the North Las Vegas Campus
 - 3. Approval of the use of Bond Funds for Seeking Bids for Projects at the Losee Campus
 - 4. Approval of the use of Bond Funds for Seeking Bids for Projects at the Aliante Campus
 - 5. Approval of the use of Bond Funds for Seeking Bids for Projects at the Skye Canyon Campus
- 4. Academic Progress Reports, Campus Recognition and Updates (For Discussion)
- 5. Interview of Principal Candidates for the Stephanie Campus: (For Discussion)
 - a. Darryl Wyatt
 - b. David Fossett
 - c. Meagan Hoffman
- 6. Discussion and Possible Action to Appoint a Principal for the Stephanie Campus (For Possible Action)
- 7. Discussion Regarding Academic Impact on Classroom Ratio (For Possible Action)

- 8. Review and Approval of Initial Budget for the 2021/2022 School Year (For Possible Action)
- 9. Bond Financing Resolution (For Possible Action)
- 10.Review and Possible Action to Approve the Janitorial Vendor for the Aliante, Lone Mountain, Losee, North Las Vegas, Skye Canyon, and Stephanie Campuses from the Following: ABM, BGM Brilliant General Maintenance, Get Clean Work, HES Facilities Services, JaniCrew Janitorial Services, Jani-King of Nevada, Janitorial Services, Marsden West, MasterCorp Commercial Services, and Nellis Building Services (For Possible Action)
- 11.Review and Possible Action to Approve the Vendor for Seal Coat Projects at the Sky Pointe and North Las Vegas Campus from the Following: Stripe a Lot, J and J, Affordable, and American Pavement (For Possible Action)
- 12. Presentation of the Fiscal Comparison Report (For Discussion)
- 13. Discussion Regarding 2021/2022 Board Meeting Schedule and Strategic Planning Meeting Schedule (For Possible Action)
- 14. Academica Announcements and Notifications (Information)
- 15. Member Comment (Information/Discussion)
- 16. Public Comment and Discussion (No action may be taken on a matter raised under this item of the agenda until the matter itself has been specifically included on an agenda as an item upon which action will be taken.)
- 17. Adjournment (For Possible Action)

This notice and agenda has been posted on or before 9 a.m. on the third working day before the meeting at the following locations:

- 1) Somerset Aliante Campus 6475 Valley Dr., North Las Vegas, NV 89084
- 2) Somerset Lone Mountain Campus 4491 N. Rainbow Blvd., Las Vegas, NV 89108
- 3) Somerset Losee Campus 4650 Losee Road, North Las Vegas, NV 89081
- 4) Somerset North Las Vegas Campus 385 W. Centennial Pkwy, North Las Vegas, NV 89084
- 5) Somerset Sky Pointe Campus 7038 Sky Pointe Dr., Las Vegas, NV 89131
- 6) Somerset Skye Canyon Campus 8151 N. Shaumber Road, Las Vegas, NV 89166
- 7) Somerset Stephanie Campus 50 N. Stephanie St., Henderson, NV 89074
- 8) Henderson City Hall, 240 South Water Street, Henderson, NV
- 9) Las Vegas City Hall, 495 S. Main St., Las Vegas, NV
- 10) North Las Vegas City Hall, 2250 Las Vegas Blvd. North, North Las Vegas, NV
- 11) Notices.nv.gov

MINUTES

of the strategic planning meeting of the BOARD OF DIRECTORS of SOMERSET ACADEMY OF LAS VEGAS March 6, 2021

The Board of Directors of Somerset Academy of Nevada held a public strategic planning meeting on March 6, 2021, at 8:00 a.m. at 6630 Surrey St., Las Vegas, NV 89119.

1. Call to order and Roll Call

Board Chair John Bentham called the meeting to order at 8:17 a.m. In attendance were Board members John Bentham, LeNora Bredsguard, Sarah McClellan, Cody Noble, Will Harty, and Renee Fairless.

Also present were Principals Lee Esplin (via Zoom), Cesar Tiu, Christina Threeton, Jessica Scobell, Kate Lackey, Shannon Manning, and Interim Principal Renae Notaro; as well as Somerset Academy Inc. representative Suzette Ruiz. Academica Representatives Gary McClain, Ryan Reeves, Jessica Barr, and Marla Devitt were also in attendance.

2. Public Comment and Discussion

There was no public comment.

3. Approval of Minutes from the February 2, 2021 Board Meeting

Member Noble moved to approve minutes of the February 2, 2021 board meeting. Member McClellan seconded the motion, and the Board voted unanimously to approve.

5. Data Executive Summary from Jessica Barr

Ms. Jessica Barr addressed the Board and stated that the support materials contained the 5 Star roadmaps and full date analysis for every campus. Ms. Barr stated that the impact of the pandemic was appearing in across, as well as in the national data. Proficiency regression was the number one area impacted in terms of school and student performance. She noted that ELA and reading carried over fairly well; however, math took a large hit across the nation. The most vulnerable student populations, including special education, EL learners, students who were in the bottom quartile, and economically disadvantaged students, were impacted the most.

Ms. Barr stated that, in regards to Star rating projections, middle schools were maintaining pretty well. She attributed this to the fact that middle school students were more adapted to the online learning environment; adding that the middle school metric was also not as hard as the elementary metric. Ms. Barr stated that a drop in elementary ratings was anticipated across the State. She reminded the Board that the schools were in recovery mode following the pandemic and online learning. Ms. Barr stated that the Biden

administration had announced that test waivers would not be granted for the 2020/2021 school year; however, there were some potential flexibilities. Although Star ratings would not be issued for the 2020/2021 school year, by Federal mandate Star ratings would be issued next year and all data would be publically reported. Nevada would continue to track subgroup data; however, TSI designations would not be issued until next year. Ms. Barr provided highlights and areas of focus for each campus.

Aliante Highlights:

- Proficiency is in recovery since Fall
- 6th grade reading growth
- 6-8th reading Opportunity Gap
- 6th & 8th grade math growth
- 6th & 7th Opportunity Gap
- Middle school projected to be 4 Star
- Reading proficiency increases in 1st-5th grade
- Math proficiency increases in 1st-5th grade

Aliante Areas of Focus

- Whole school consistency and sustainability
- Elementary growth in math and reading
- Elementary math AGP
- Elementary math Opportunity Gap
- Elementary subpopulations: special education and EL learners
- Middle school reading AGP
- Middle subpopulations: special education

Lone Mountain Highlights:

- Proficiency is in recovery since Fall
- Reading proficiency increases in K-5th grade
- Math proficiency increases in K-5th grade
- 5th grade math growth
- 8th grade reading growth and proficiency
- Middle school reading/math Opportunity Gap
- 6th-8th math proficiency increases
- Middle school 5 Star projection

Lone Mountain Areas of Focus:

- Whole school consistency and sustainability
- Growth in 4th grade math
- Growth in 4th and 5th grade reading
- Elementary math/reading Opportunity Gap
- Elementary subpopulations: special education and EL learners
- Middle school math MGP

- Middle school reading AGP
- Middle school subpopulations: special education and EL learners

Losee Highlights:

- Reading proficiency increases K-5th grade
- Math proficiency increases K-5th grade
- Elementary exceptional reading and math growth
- Elementary 3 Star projection
- 6th grade reading Opportunity Gap
- 6th-8th math proficiency increased/maintained
- Middle school math Opportunity Gap

Losee Areas of Focus:

- Elementary continuation of best practice that led to observed improvements
- 5th grade math Opportunity Gap
- Elementary subpopulations: special education
- Middle school reading MGP/AGP/Gap
- Middle school math MGP/AGP
- Middle school subpopulation: special education

North Las Vegas Highlights:

- Proficiency in recovery since Fall
- Reading proficiency increases K-5th grade
- Math proficiency increases K-5th grade
- 5th grade reading growth
- Elementary school 3 Star projection
- Middle school consistent math growth across all grades
- Middle school reading/math Opportunity Gap
- 6th-8th math proficiency increases
- Middle school 4 Star projection

North Las Vegas Areas of Focus:

- Whole school consistency and sustainability
- Elementary continuation of best practices that led to observed improvements
- Growth in math 4th and 5th grade
- Growth in reading 4th grade
- Elementary math/reading Opportunity Gap
- Elementary subpopulations: special education
- Middle school MGP/AGP
- Middle school subpopulations: special education

Skye Canyon Highlights:

- Elementary special education students on track to meet a majority of State expectations
- Small number of elementary students to shift to higher projection
- Middle school consistent reading growth close to goal
- 8th grade math growth and Opportunity Gap
- Middle school 4 Star projection

Skye Canyon Areas of Focus:

- Whole school consistency and sustainability
- Elementary growth in reading and math
- Elementary math/reading Opportunity Gap
- Elementary subpopulations: EL learners
- 6th/7th grade math AGP/GAP
- Middle school subpopulation: special education and EL learners

Sky Pointe Highlights:

- Proficiency in recovery since Fall
- Reading proficiency increases K,2,4,5
- Math proficiency increases 2nd-5th grade
- 4th/5th reading growth/Opportunity Gap
- 4th/5th math growth/Opportunity Gap
- Elementary 5 Star projection
- 8th grade math growth
- Middle school reading/math Opportunity Gap
- Middle school math/reading AGP
- Middle school 4 Star projection

Sky Pointe Areas of Focus:

- Whole school consistency and sustainability
- Elementary continuation of best practices that led to 5 Star projection
- Math growth K-2
- Elementary subpopulations: EL leaners
- 6th-8th, 10th/11th grade reading growth
- Middle/high subpopulation: special education and EL learners

Stephanie Highlights:

- Proficiency in recovery since Fall
- Reading proficiency increases K-5
- Math proficiency increases K-5
- Consistent, quality reading growth K-5
- 4th/5th Reading AGP/Opportunity Gap

- Reading proficiency increases 6-8
- Math proficiency increases 6-8
- Consistent, quality reading/math growth 6-8
- Middle school 5 Star projection

Stephanie Areas of Focus:

- Whole school consistency and sustainability
- Elementary math growth
- Math Opportunity Gap
- Elementary subpopulations: special education
- Middle school continuation of best practices that led to 5 Star projection
- Middle school subpopulation: monitor special education

Member Harty asked what the Star projection was for Stephanie elementary, to which Ms. Barr replied that it was projected to be a 3 Star. Member Bentham noted that most of the slides showed that proficiency was in recover mode; however, it was missing on a couple of slides. Ms. Barr explained that there were a couple of campuses that were not in full recovery mode; adding that the principals at those campuses were aware and addressing the issue. Member Noble asked how the Board should view large swings in the Star rating projections. Ms. Barr explained that, because the 5th grade students were the only elementary students who had been tested during the last SBAC testing in 2019, the elementary campuses projected ratings were based solely on the performance of the 5th grade students. She noted that a small number of students could impact the Star rating. Ms. Barr stated that the Board and principals should be concerned; however, the principals were creating strategic plans to respond to the areas of concern which should help raise the Star ratings.

Member Bredsguard asked the principals if they held collaboration meetings, to which the principals replied that they met every two weeks to collaborate. Member Bredsguard asked what caused the false drop in the data. Ms. Barr explained that false drops could be attributed two possible scenarios. In the first scenario the students who were flagged for false drops had full effort on the first test and on the second test they had major decrease in effort which would lead to a false drop. In the second scenario the student had help on the first test, typically from a parent, and did not have help on the second test. Member Bredsguard asked if there was a noticeable difference in the at home MAP testing and the on campus MAP testing. Principal Cesar Tiu addressed the Board and stated that the Lone Mountain i-Ready testing had been done at home and the MAP testing had been done on campus. He stated that there was a difference when the students were on campus with teachers monitoring the tests. Member Bredsguard asked if data was available regarding the different subgroup populations at each campus. Discussion ensued regarding the percentage of vulnerable population at each campus.

Member Fairless asked Principal Tiu if he had used the data to develop a prescription with hi team. Principal Tiu replied in the affirmative and stated that after school tutoring would be starting to target the Opportunity Gap students. Member Fairless suggested that the system find a strong EL person to walk through all the campus to help monitor the progress. Member Fairless asked if all SPED and EL populations were on all campuses. Principal Christina Threeton addressed the Board and stated that it had been difficult to convince the families to bring their children to campus. During the recent WIDA testing

the families were able to observe the safety measures in place which should result in a higher number willing to be on campus. Principal Jessica Scobell addressed the Board and stated that her campus had many multi-generation families who were hesitant to allow the children on campus due to the potential risk to elderly family members. She further stated that many parents at her campus were out of work and were not willing to take their children to school. Member Fairless encouraged the principals to educate the families on the current CDC and State guidelines to increase the confidence in the safety measures at the schools.

Member Bentham stated that Ms. Barr had mentioned that Lone Mountain had a high percentage of new students and asked if the high percentage was campus-wide. Principal Tiu stated that the influx was across all grade levels; however, the campus had a lot of new 6th grade students. Discussion ensued regarding the higher level of student turnover at all campuses for the current year, a portion of which could be attributed to the pandemic causing a higher overall transiency rate in the county. Ms. Barr stated that a small percentage of incoming students who were not proficient could bring down the Star rating. Member Fairless noted that the growth of those non-proficient students would help improve the ratings.

Member Fairless noted that the Sky Pointe 5th grade teacher had the highest growth and suggested that the system have that teacher visit all the campuses to help the other 5th grade teams. Member Fairless asked Principal Lackey if her 5th grade team was strong. Principal Lackey stated that she had a strong 5th grade team. She stated that the current 5th grade students had been a challenging group since the campus opened and the 5th grade team worked hard and had created a strong action plan to help the students. Member Fairless stated that i-Ready was the tool was invaluable when with EL and SPED students to provide differentiated instruction prescriptions.

Member Bentham commended the principals for their phenomenal work during a year when plans were changed over and over. Mr. Ryan Reeves addressed the Board and commended them for taking the time to hold a strategic planning meeting along with the time spend during Board meetings discusses the students and education related issues. He stated that a study had been conducted four or five years ago concerning how much time school boards in the State of Nevada spend on academics, the result was that less 3% for the state. Ms. Barr stated that CCSD had been 0%. Mr. Reeves noted that the Board was two hours into the meeting and the discussion had been focused on the students and the student's education.

6. Discussion Regarding the Fourth Quarter Academic Plan

Principal Lee Esplin addressed the Board and stated that the middle and high school plan was to have the students who were in person start attending four days per week full time starting March 16th. He explained that the middle and high students who were not in person could request to be put on a waitlist. In order to bring back a student the schedule would need to be reviewed to ensure that each of the student's classes would not be over capacity if the student returned. Principal Esplin stated that most of the elementary classes were at capacity; however a waiver request had been submitted to increase capacity levels. Principal Esplin stated that the campuses should be careful in bringing back students so that they could ensure that quality teaching was maintained as the students head to the testing time.

Principal Scobell stated that the parents were continually being surveyed. 43.5% of the elementary students were attending class in person. 39% of the middle school students were attending in person. 29%

of high school students were attending in person. Every student who requested in person learning was able to attend in person. Principal Scobell stated that a recent survey asked parents of virtual students if they would change to in person if the student was able to attend for the full day and only 37 additional parents would opt to come back with the full day option. She noted that one of the benefits of the pandemic was the ability to have every class be a small group learning environment. The students had benefited from three hours of structured instruction with 10-12 students. Principal Scobell stated that she was proposing that the a.m. cohort be in person and the p.m. cohort remain virtual. The remainder of the typical elementary school day lessons and activities, such as lunch, recess, i-Ready, and small group interventions would be built in to a p.m. session for the families who requested full day in person.

Principal Tiu reviewed recent parent and teacher survey results regarding in person, virtual, and hybrid options. He explained that there were multiple hurdles to returning all K-8 students full day including capacity, spacing requirements, lunch capacity, and unequitable education to grade levels that are unable to return due to the restrictions. Principal Tiu stated that the K-5 students would remain in a a.m./p.m. model, while the middle school students would return to full day in person starting March 15th. Member McClellan asked if the campus was open to further changes if a waiver was received. Mr. Tiu stated that the middle school students on the waitlist to return would be the first change made if a waiver was received. Discussion ensued regarding providing and equitable education for all students while maintaining consistency if more changes were made during the final quarter.

Interim Principal Renae Notaro addressed the Board and stated that currently 44% of elementary students and 18% of middle school students attended in person. She noted that parents were becoming more comfortable with the idea of in person learning. Interim Principal Notaro stated that the three foot spacing was preventing adding more students in person. If a waiver was received the plan was to move to a full-day in person model. She noted that moving to full-day presented concerns that needed to be addressed.

Principal Shannon Manning addressed the Board noted that Aliante had a large number of families who wished to remain virtual for the remainder of the school year. Currently for elementary students, 244 attend in person in the morning and 187 attend in person in the afternoon. 166 students attend virtually in the morning and 181 students attend virtually in the afternoon. For middle school students, 135 attend in person in the morning and the remaining 196 middle school students attend virtually in the afternoon. Principal Manning stated that communication had been sent to the families regarding increased capacity; however, only 14 additional students opted for in person learning based on the communication. Based on the family interest in returning to campus, the fourth quarter plan was to have middle school continue in the current format. K-5 would continue with a.m. and p.m. cohorts and add a third cohort, an intervention extension, which would be full-day. The third cohort students would attend part of the day with their teacher and part of the day in extension and intervention activities with an instructional aide.

Principal Threeton stated that students were currently on campus and on line from 8:00 a.m. to 12:30 p.m. Students in need of additional instruction log in for Power Hour and small groups with interventionists at 1:30 p.m. She noted that families were becoming more comfortable with bringing students back on campus; however, there were many families that wanted to continue with distance education for the fourth quarter. The fourth quarter plan was to remain with the current plan while offering an option for the families that need full day care.

Principal Lackey stated that 88% of elementary students were in person and 67% of the middle school students were in person. She stated that available space while maintaining the required distance requirements was preventing full day in person instruction. Principal Lackey stated that the fourth quarter plan was to continue with synchronous learning K-8 with three hour a.m. and p.m. cohorts. She noted that 5th grade would be going to a block schedule to maximize instruction.

9. 10 Year Anniversary Discussion

Member Bentham stated that an option for a celebration would be to rent Wet N Wild. A small fee could be charged per person or per family. The cabanas could be raffled off by the campus PTOs to raise money. Activities could be organized throughout the day. Member Bentham stated that the water park would be available for the last weekend of September. Discussion ensued regarding possible activities, fundraising potential, and making a Wet N Wild weekend an annual event while holding a separate celebration for the anniversary.

8. Discussion Regarding Somerset Academy Administrative Leadership Structure

Member Bentham stated that the principal cohort was successfully collaborating and helping each other. He stated that the purpose of the discussion would be to determine any needs not being met by the Lead Principal structure in order to work towards a solution during the upcoming months. Principal Esplin stated that the collaborative evaluation system used during the last year was the most valuable evaluation he had received in his years as an educator. He stated that, although the principal cohort met together every other week, they interacted daily to help and support each other. The current structure had the system moving in a positive direction. Principal Lackey stated that the collaboration provided great support to the principals. Principal Scobell stated that the lack of bureaucracy was refreshing and allowed the principals to make the best decisions for the individual campuses while being able to collaborate and support each other.

Member McClellan asked if support was available for mentoring new principals. Principal Manning stated that all of the system principals offered support and followed up with her after her first day to ensure she had the support she needed. She stated that she also felt comfortable reaching out to Mr. McClain or Board members for support. Member Noble stated that there were some communication gaps; however, that did not mean any other system would be better. Discussion ensued regarding collaboration and communication between the principal cohort and the Board.

7. Discussion Regarding Academic Impact on Classroom Ratio

Mr. McClain addressed the Board and stated that Board had requested information on the academic impact on classroom ration. He noted that smaller class size usually lead to better learning environments; however, the research and articles were often contradictory. Member Noble stated that the class size issue had typically been tied to revenue; however, the Board would like to discuss what the class size meant to the learning environment. Principal Threeton stated that research showed that smaller K-2 classes were

beneficial to the learning environment. Principal Scobell noted that if the K-2 class size was reduced to 18, without adding an extra class, then the school would experience an influx of district students in 3rd grade who would possibly need to be brought up to grade level. Discussion ensued regarding options for smaller K-2 class sized or more targeted interventions with instructional aides in K-2.

Member Fairless stated that at Mater Academy she had been given flexibility from her Board to have class sizes from 24 to 27 students. She stated that the most important variables in a classroom was the teacher effectiveness and the curriculum being used; adding that the Mater teachers preferred an even number of students. Principal Threeton stated that having flexibility would give the Principal authority to move students among classes while maintaining the overall grade level number. A more effective teacher could possibly take an additional student, while a newer teacher could have one less. There were many variables to consider such as how many EL learners or SPED students were in a class. Discussion ensued regarding allowing flexibility in class sizes while maintaining the grade level maximum enrollment. Principal Scobell stated that flexibility at the high school level would be beneficial. If an AP class had reached the maximum enrollment of 31 with one more student requesting the class, she would like to be able to add that one student without having to create an additional class to have two 16 student classes.

Member Fairless moved to allow the Somerset principals the flexibility to not allow an elementary class to exceed 28 students, the flexibility from 25 to 28; for middle school the flexibility to exceed to 33 students; while maintaining the overall class size set by the Board.

Further discussion ensued regarding flexibility. The principals detailed scenarios where having flexibility would be beneficial to the overall learning environment. Member Bentham tasked the principal cohort to present at the next Board meeting, a recommendation for class size average for elementary, middle, and high school grades partnered with the flexibility to have the class size be the average in the grade level. The Board deferred a vote on the motion until further information was presented.

4. Report on Goals

a. All Schools to be 4 or 5 Starts by September 2022

Member Bentham asked if any of the principals were concerned with the information in the Road to 5 Star roadmaps contained in the support materials. The principals all indicated that they were comfortable with the roadmaps. Principal Scobell stated that consistent quality instruction and constantly revisiting the data were the keys to improving the Star ratings.

b. Utilize Character and Leadership Programs in the Schools by 2021-2022

Member Bentham stated that, in the difficulties faced this year, it had provided an obstacle to meeting this goal. Principal Lackey stated that Principal Esplin was working on quotes for the Leader in Me program. Members Bentham and Harty stated that they would like to see a centralized location to pay for the program so that it was not a campus by campus expense and decision. Member Esplin stated that he along with negotiating quotes he was working to ensure that the coaching and training was beneficial. Discussion ensued regarding funding the program.

c. Become Financially Sound to Facilitate Increasing Teacher Pay and Facility Maintenance

Member Bentham stated that teacher pay was an important topic. Member Harty stated that the Board had previously been provided with a detailed salary study and requested an update. Discussion ensued regarding the salary range for Somerset, including benefits and bonuses, in comparison with the district salary table. Principal Lackey stated that a big challenge she faced was that new teachers sometimes made more than established teachers because of past increases being below the new teacher rate. Further discussion ensued regarding balancing the salaries more equitably. Mr. Reeves outlined many of the funding and pay challenges, including the limited increase in State funding and an increase in PERS contributions. Member Bentham stated that the teachers had stepped up and worked hard in during difficult challenges and he would like to find a way to recognize their efforts.

10. Member Comment

Member Fairless stated that she was excited to be a apart of the Somerset system; adding that the campuses seem to have grown closer over the last year as they worked through the pandemic. Member Harty thanked the principals. He noted that, as an employee of North Las Vegas, he was grateful for how the North Las Vegas campuses have worked through the pandemic. He stated that he would like to discuss accreditation for independent study during a future meeting.

Member Bentham stated that he was proud of the Somerset system leaders for being leaders, not only on their campuses, but in the State. He asked if Academic had found any more information on the land next to Sky Pointe. Member McClellan stated that she was also thankful for the leaders. Member Noble stated that his kids and the entire system had benefitted from the dedication of the Somerset leaders and teachers.

Mr. Reeves provided a brief update on charter school growth in the valley. Mr. Reeves stated that preliminary student retention looked great for enrollment next year.

Principal Scobell stated that a football program would be starting at the Losee campus 2022 school year. A new band teacher had a lot of marching band experience and would be starting that program also.

11. Public Comment

There was no public comment.

12.	Adjournment						
	The meeting was adjourned at 2:43						
	Approved on:						
	Secretary of the Board of Directors

MINUTES

of the meeting of the SOMERSET ACADEMY OF LAS VEGAS FINANCE COMMITTEE March 26, 2021

Somerset Academy of Las Vegas Finance Committee held a public meeting on March 26, 2021, at 12:00 p.m. via Zoom meeting.

1. Call to order and Roll Call

Committee Member Travis Mizer called the meeting to order at 12:00 p.m. In attendance were Committee Members Travis Mizer, Jill Dayne, and Will Harty.

Also present were Principal Lee Esplin, Assistant Principal Larry Johnson, Principal Jessica Scobel, Principal Shannon Manning, and Interim Principal Renae Notaro. Academica representatives Marc Clayton, Ryan Reeves, and Gary McClain were also in attendance.

2. Public Comments and Discussion

There was no public comment.

3. Review and Approval of the Minutes from the January 29, 2021 Finance Committee Meeting

Member Harty moved to approve the minutes from the January 29, 2021 Finance Committee meeting. Member Dayne seconded the motion, and the Committee voted unanimously to approve.

4. Review and Discussion of Somerset Academy Financial Performance

Mr. Marc Clayton addressed the Committee and reviewed the financial performance as contained in the support materials. He stated that there had not been many changes since the last meeting, noting that items favorable to budget remained favorable, including cost savings to janitorial and substitute services, with the DSA revenue coming in higher than budgeted. Mr. Clayton noted that federal SPED was currently under budget by \$570,000 due to the timing of grant reimbursement submissions. SPED Part B had been submitted in March totaling approximately \$850,000; which would take care of the variance.

Mr. Clayton stated that all other areas were tracking as they were in December, with the financial frameworks being met or exceeded. There were no other areas of concerns. Member Harty asked for a report on the year to date surplus (actuals), to which Mr. Clayton replied that it was \$5,594,000. With the increase in funding and all other variables, Member Harty asked if they could plan to exceed that number by year end. Mr. Clayton estimated that they should be in the 7-8 million range by year end, over 8% to budget.

5. Review and Possible Action to Recommend Acceptance of Project Aware Sub Grant Funds for the North Las Vegas Campus

Mr. Gary McClain addressed the Committee, stating that the sub-grant award for the North Las Vegas campus was for \$15,962; which required formal acceptance from the board on the Committee's recommendation. Principal Shannon Manning addressed the Committee and shared specific details regarding the grant, noting that it was administered through the SPCSA and supported the multi-tiered support system: restorative practices, behavior tracking, coaches, and other support for culture, climate, and behavior.

Member Dayne moved recommended approval of the acceptance of Project Aware sub grant funds for the North Las Vegas Campus. Member Harty seconded to the motion, and the Committee voted unanimously to approve.

6. Review and Possible Action to Recommend Approval of the use of Bond Funds for Seeking Bids with Ethos Three as the consulting Architect; for the Following Projects at the Losee Campus: a) Bleachers; b) Weight/Locker Room c) Turf Install in Landscape Planter For Sports Training

Mr. McClain stated that this information applied to all the bond project items on the agenda, explaining that they proposed to use Ethos Three as the architect for the projects, as they were the original architects and knew the facilities and codes under which the facilities were built. The two projects at Losee totaled about \$52,000. They were asking for the approval to move forward with Ethos and complete the design and put the project out to bid, which would expend about half the funds. After which the bids would come before the board for final approval to move forward with completion of the project.

Member Mizer asked if it would make more sense to recommend approval of the complete project rather than expend consulting funds and possibly not move forward. Mr. Ryan Reeves addressed the Committee and stated that they needed the architectural consultant in order for the board to have the information to make the final decision, adding that there were costs associated. Member Mizer asked if consultants were absolutely necessary to moving forward with the project. Mr. Reeves clarified that the architect would draw up the plans for the projects, determining the scope, prior to sending out bids; noting that this had been done on prior projects. Member Harty stated that he felt the architectural consulting amount was prudent in order to have an accurate picture of the costs associated with each project prior to final approval by the board.

Member Dayne moved to recommend approval of the use of bond funds for seeking bids with Ethos Three as the consulting Architect; for the projects at the Losee Campus as presented. Member Harty seconded the motion, and the Committee voted unanimously to approve.

7. Review and Possible Action to Recommend Approval of the use of Bond Funds for Seeking Bids with Ethos Three as the consulting Architect; for the Following Project at the Aliante Campus: Classroom Addition

Mr. McClain stated that this item was similar to item #6, with an amount of \$56,000 needed for this phase and an estimated \$116,000 for the total project.

Member Harty moved to recommend approval of the use of bond funds for seeking bids with Ethos Three as the consulting Architect; for the projects at the Aliante Campus as presented. Member Dayne seconded the motion, and the Committee voted unanimously to approve.

8. Review and Possible Action to Recommend Approval of the use of Bond Funds for Seeking Bids with Ethos Three as the consulting Architect; for the Following Projects at the Skye Canyon Campus: Classroom Addition, Exterior Lights and South Facing Signage

Mr. McClain stated that, again, this was similar to the project at Aliante, with an amount of \$56,000 needed for this phase and an estimated \$116,000 for the total project

Member Dayne moved to recommend approval of the use of bond funds for seeking bids with Ethos Three as the consulting Architect; for the projects at the Skye Canyon Campus as presented. Member Harty seconded the motion, and the Committee voted unanimously to approve.

9. Review and Possible Action to Recommend Approval of Vendor for Seal Coat Projects at the Sky Pointe, North Las Vegas, and Lone Mountain Campuses from the Following: Vendors: J & J, Stripe A Lot, Affordable Striping, American Pavement Preservation

Mr. McClain asked the Committee to hold this item open for discussion and possible action at the board meeting, as he was waiting on additional bids and information.

This item was tabled for discussion and possible action at the board meeting.

10. Member Comment

Member Harty stated that at the strategic board meeting they discussed having a centralized allocation system for Leader in Me so that funds were not pulled from individual campuses, asking if they should discuss at this or a future meeting. Mr. McClain stated that he would work with Mr. Trevor Goodsell and Mr. Matt Padron to incorporate this on the final budget.

11. Public Comment

Mr. Reeves stated that there were several fiscal note requests for bills that had been introduced, with ten that were being reviewed by Mr. Goodsell for fiscal impact on the school. The funding formula was forthcoming and would have the most impact on the school. He would continue to update the board and Committee.

12. Adjournment

The meeting was adjourned at 12:21 p.m.

	Total Award		\$15,960.00	

EXHIBIT B

Certifications and Assurances

As a condition of receiving sub granted funds from the SPCSA, the Subrecipient certifies and assures:

- 1. That the Subrecipient has the necessary legal authority to apply for and receive the proposed subgrant and agree to the terms and conditions.
- 2. That the Subrecipient will accept, expend, and request reimbursement of funds in accordance with all applicable federal and state statutes, regulations, policies, program plans, and applications and will administer the programs in compliance with all provisions of such statutes, regulations, policies, program plans, applications, and amendments thereto.
- 3. That the Subrecipient will use fiscal control and fund accounting procedures that will ensure proper disbursement of, and accounting for, federal funds paid to that entity under each program.
- 4. The Subrecipient assumes full responsibility for the overall program which includes (but is not limited to): fiscal administration, planning and implementation of program activities that are aligned to program requirements and the needs of program beneficiaries, timely submission of required reports, program management including personnel, and meeting the goals and objectives in the approved grant application.
- 5. The Subrecipient agrees to fully comply with subrecipient monitoring and evaluation/audit teams that will evaluate the effectiveness of this grant. Noncompliance may affect the subrecipient's eligibility for future awards or result in forfeiture of remaining funds.
- Personnel employed, such as teachers and instructional aides, by the Subrecipient or personnel contracted to provide services to the Subrecipient shall be certified pursuant to the provisions of NRS 386.590 (as amended by Senate Bill 509 of the 2015 Session of the Nevada Legislature, Chapter 238, Statutes of Nevada (2015)).
- 7. The Subrecipient assures it will adhere to the 2 CFR 200 Uniform Administrative Requirements, Costs Principles, and Audit Requirements for Federal Awards as dictated by the Department of Education, through the SPCSA.
- 8. That the Subrecipient may not count tuition and fees collected from students toward meeting matching, cost sharing, or maintenance of effort requirements of a grant program.
- 9. That the Subrecipient will follow competitive bidding practices in compliance with all applicable procurement statutes, regulations, and policies.
- 10. Grant funds will not be used for other than the awarded purpose. In the event Subrecipient expenditures do not comply with this condition, that portion not in compliance will be refunded to the SPCSA.
- 11. Approval of subgrant budget by the SPCSA constitutes prior approval for the expenditure of funds for specified purposes included in the budget. The transfer of funds between Object Codes without written prior approval from the SPCSA is not allowed under the terms of this subgrant. The transfer of already-expended funds between Object Codes is not permitted. Requests to revise approved budgeted amounts will be made in writing, within the published timeframes, will contain sufficient narrative detail to determine justification, and are subject to review and approval by both the SPCSA and the Department of Education.
- 12. Subgrant accounting records will be accurately maintained, identifiable by subgrant program. Such records shall be maintained in accordance with the following:
 - a. Records may be destroyed not less than three years (unless otherwise stipulated) after the final report has been submitted if written approval has been requested and received from the Director of Finance & Operations of the SPCSA. Records may be destroyed by the Subrecipient six (6) calendar years after the final financial and narrative reports have been submitted to the SPCSA.
 - b. In all cases an overriding requirement exists to retain records until resolution of any audit questions relating to individual subgrants.
 - c. Subgrant accounting records are considered to be all records relating to the expenditure and reimbursement of funds awarded under this subgrant award. Records required for retention include all accounting records and related original and supporting documents that substantiate costs charged to the subgrant program.

- 13. Any existing or potential conflicts of interest relative to the performance of services resulting from this subgrant award will be disclosed and the SPCSA reserves the right to disqualify any Subrecipient on the grounds of actual or apparent conflict of interest. Any attempt to intentionally or unintentionally conceal or obfuscate a conflict of interest will automatically result in the disqualification of funding.
- 14. Compliance with the requirements of the Civil Rights Act of 1964, as amended, and the Rehabilitation Act of 1973, P.L. 93-112, as amended, and any relevant program-specific regulations, and shall not discriminate against any employee, offeror for employment, student, or potential student because of race, national origin, creed, color, sex, religion, age, disability or handicap condition (including AIDS and AIDS-related conditions).
- 15. Compliance with the Americans with Disability Act of 1990, P.L. 101-136, 42 U.S.C. 12101, as amended, and regulations adopted thereunder contained in 28 C.F.R. 26.101-36.999 inclusive and any relevant program-specific regulations and shall not discriminate against any employee, offeror for employment, student, or potential student based on disability.
- 16. Compliance with the Individuals with Disabilities Education Act (IDEA) of 1990, 20 U.S.C. § 1400, as amended, regulations adopted thereunder, and any relevant program-specific regulations. Subrecipient assures it shall not discriminate against any student or potential student with a disability.
- 17. Compliance with the requirements of the Family Educational Rights and Privacy Act of 1974 (FERPA) of 1996, 20 U.S.C. § 1232g; 34 CFR Part 99, as amended, and agrees to exclude any confidential student information in its subgrant application or subgrant amendment requests.
- 18. Compliance, inclusive of the requirements above, Title 34 Education (34 CFR), Title 45 Public Welfare (45 CFR), Title 42 Public Health (42 CFR), the Safe and Drug Free Schools Act, and the Pro-Children Act of 1994.
- 19. Compliance with the requirements of the Boy Scouts of America Equal Access Act (Boy Scouts Act), 20 USC 7905, 34 CFR Part 108, and with other federal civil rights statuses enforced by the OCR.
- 20. That the Subrecipient, if administering a program for Education of Homeless Students, affirms that the Subrecipient will adopt policies and practices to ensure that homeless children and youths are not stigmatized or segregated on the basis of their status as homeless.
- 21. That the Subrecipient has no policy that prevents, or otherwise denies participation in constitutionally protected prayer in elementary and secondary public schools as set forth in the Guidance on Constitutionally Protected Prayer in Public Elementary and Secondary Schools dated February 7, 2003.
- 22. That the Subrecipient understands, in accordance with Title XII of Public Law 103-227, the "PRO-KIDS Act of 1994," smoking may not be permitted in any portion of any indoor facility owned or regularly used for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by federal programs whether directly or through state or local governments. Federal programs include grants, cooperative agreements, loans and loan guarantees, and contracts. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions or facilities and used for inpatient drug and alcohol treatment.
- 23. That the Subrecipient understands federal grants, subawards, or contracts shall not be used to support inherently religious activities such as religious instruction, worship, or proselytization. Therefore, organizations must take steps to separate, in time or location, their inherently religious activities from the services funded under these programs.
- 24. That the Subrecipient agrees, in accordance with the decision in United States v. Windsor (133 S. Ct. 2675 (June 26, 2013); Section 3 of the Defense of Marriage Act, codified at 1 USC 7, in any grant-related activity in which family, marital, or household considerations are, by statute or regulation, relevant for purposes of determining beneficiary eligibility or participation, Subrecipient will treat same-sex spouses, marriages, and households on the same terms as opposite sex spouses, marriages, and households, respectively.
- 25. Whether expressly prohibited by federal, state, or local law, or otherwise, that no funding associated with this subgrant will be used for any purpose associated with or related to lobbying or influencing or attempting to lobby or influence for any purpose the following:

- a. Any federal, state, county or local agency, legislature, commission, council, or board;
- b. Any federal, state, county or local legislator, commission member, council member, board member, or other elected official; or
- c. Any officer or employee of any federal, state, county or local agency, legislature, commission, council or board.
- 26. That Subrecipient understands personnel funded from federal grants and their subcontractors are prohibited from text messaging while driving an organization-owned vehicle, or while driving their own privately-owned vehicle during official grant business, or from using organization-supplied electronic equipment to text message or email while driving. Recipients must comply with these conditions under Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," October 1, 2009 (pursuant to provisions attached to federal grants funded by the US Department of Education).
- 27. That in the case of any project involving construction, the project is not inconsistent with overall state plans for the construction of school facilities, if applicable; and in developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed under Section 504 of the Rehabilitation Act of 1973, in order to ensure that facilities constructed with federal (which become subsequently state) funds are accessible to and usable by handicapped individuals. For the construction of facilities with federal funds, the Subrecipient will comply with the provisions of the Davis-Bacon Act. For the construction of facilities with state funds, the Subrecipient will comply with Nevada Revised Statutes, Chapter 338 Public Works.
- 28. Personnel employed as teachers and instructional aides by the Subrecipient or personnel contracted to provide such service to the Subrecipient shall be certified pursuant to the provisions of NRS 386.590 (as amended by Senate Bill 509 of the 2015 Session of the Nevada Legislature, Chapter 238, Statutes of Nevada (2015).
- 29. That the Subrecipient will maintain Time and Effort documentation, as required by 2 CFR 200.430(i), and any additional SPCSA policies, for all employees whose salaries are:
 - a. Paid in whole or in part with federal funds or
 - b. Used to meet a match/cost share requirement.
- 30. That neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency. This certification is made pursuant to regulations implementing Executive Order 12549, Debarment and Suspension, 28 C.F.R. pr. 67 § 67.510, as published as pt. VII of May 26, 1988, Federal Register (pp. 19150-19211). This provision shall be required of every subrecipient receiving any payment in whole or in part from federal funds.
- 31. That Subrecipient understands and accepts SPCSA subgrants are subject to inspection and audit by representative of the SPCSA, Nevada Department of Education, the State Department of Administration, the Audit Division of the Legislative Counsel Bureau or other appropriate state or federal agencies to:
 - a. Verify financial transactions and determine whether funds were used in accordance with applicable laws, regulations and procedures:
 - b. Ascertain whether policies, plans and procedures are being followed;
 - c. Provide management with objective and systematic appraisals of financial and administrative controls, including information as to whether operations are carried out effectively, efficiently and economically; and
 - d. Determine reliability of financial aspects of the conduct of the project.
- 32. That Subrecipient understands and accepts any audit of Subrecipient's expenditures will be performed in accordance with generally accepted government auditing standards to determine there is proper accounting for and use of subgrant funds. It is the federal requirement as specified in the Office of Management and Budget (2 CFR § 200.501(a)), revised December 26, 2013, that each grantee annually expending \$750,000 or more in federal funds have an annual audit prepared by an independent auditor in accordance with the terms and requirements of the appropriate circular. A COPY OF THE FINAL AUDIT REPORT MUST BE SENT TO:

State Public Charter School Authority 1749 North Stewart Street, Suite 40 Carson City, NV 89706

This copy of the final audit must be sent to the SPCSA within nine (9) months of the close of the Subrecipient's fiscal year.

33.	That Subrecipient agrees this subgrant award may be TERMINATED by either party prior to the date set forth on the Notice of Subgrant Award, provided the termination shall not be effective until 30 days after a party has served written notice upon the other party. This agreement may be terminated by mutual consent of both parties or unilaterally by either party without cause. The parties expressly agree that this award shall be terminated immediately if for any reason the SPCSA, the State, and/or federal funding ability to satisfy this Award is withdrawn, limited, or impaired.

EXHIBIT C

Reimbursement Requests and Reporting Requirements

As a condition of receiving sub-granted funds from the SPCSA, the Subrecipient agrees to the following conditions:

- 1. Requests for Reimbursement are due on a monthly basis, based on the terms of this subgrant award, no later than the 15th of each subsequent month. If there has been no fiscal activity in a given month, a Request for Reimbursement claiming zero dollars is required to be submitted for the month.
- 2. Reimbursement is based on actual expenditures incurred during the period being reported.
- 3. Reimbursement Requests must be submitted with all SPCSA-required supporting back up documentation. The SPCSA has the authority to ask for additional supporting documentation at any time and the information must be provided within five (5) business days of the request.
- 4. All documentation, such as invoices or contracts, etc., should be maintained at the Subrecipient's principle place of business and readily available for examination upon request. If not, the Subrecipient must bear the cost of making original documents available for examination by the SPCSA. Subrecipients generally must retain financial and programmatic records, supporting documents, statistical records, and all other records that are required by the terms of a grant or may reasonably be considered pertinent to a grant for a period of six years from the end date of the subgrant award.
- 5. Requests for advance of payment will not be considered or allowed by the SPCSA.
- 6. Reimbursement may only be claimed for expenditures approved within the Notice of Subgrant Award.
- 7. Travel expenses, per diem, and other related expenses must conform to the procedures and rates allowed for state officers and employees. It is the policy of the Board of Examiners to restrict contractors/subrecipients to the same rates and procedures allowed state employees. The State of Nevada reimburses at rates comparable to the rates established by the US General Services Administration, with some exceptions (State Administrative Manual 0200.0 and 0320.0).
- 8. Reimbursement may not be processed without all required programmatic reporting being current.
- 9. All reports of expenditures and requests for reimbursement processed by the SPCSA are subject to audit.
- 10. Reimbursement requests must be submitted only for expenditures approved in the budget. Any additional expenditure beyond what is allowable based on approved line item budget amounts, without prior written approval by the SPCSA, may result in denial of reimbursement.
- 11. The SPCSA reserves the right to hold or deny reimbursement under this subgrant until or unless any delinquent forms, reports, and expenditure documentation are submitted to and accepted by the SPCSA.
- 12. Final reimbursement requests are due to the SPCSA no later than 15 calendar days from the end of the subgrant period.
- 13. The Subrecipient is subject to annual risk assessment and related subrecipient monitoring activities performed by the SPCSA.
- 14. Onsite subrecipient monitoring (minimum once every three years) is a requirement for receiving funding from the SPCSA.
- 15. The SPCSA may apply remedies for noncompliance with federal statutes, or the regulations, terms, or conditions of a federal award according to 2 CFR 200.338.
- 16. Any activities that deviate from the scope of work/goals and objectives identified in submitted subaward application documents and the approved subaward budget require an amendment.
- 17. Changes in the total amount obligated for a budget detail item that exceeds the current amount approved requires an amendment.

18.	The Subrecipient may	submit subaward	amendment requests	according to SPCSA	policies and procedures.

19. Subaward amendment requests must be received no later than March 1 for all subgrant periods ending June 30 or for budget revisions required before the end of the state fiscal year.

20. Subaward amendment requests must be received no later than June 30 for all subgrant periods ending September 30.

90 Day Plan

Prior to June 1st:

- Analyze all safety protocols and procedures.
- Review staffing needs. Prepare to hire if necessary.
- Take a close look at the most updated data to clearly understand professional development needs
- · Review long-term plan.
- · In depth review of the school budget.
- · Identify curriculum needs.
- Meet with staff prior to May 21st.
- · Review schedules for 2021-22 school year.

June 1-June 30

- Walk the campus/classrooms to identify facility needs.
- · Revise/Update safety protocols and procedures if needed.
- · Hire staff if needed.
- · Meet with admin team to identify areas of concern.
- · Review enrollment numbers.
- · Review class sizes.
- · Meet with PTO.
- Create Professional Development Schedule.
- Develop marketing plan for the school.
- Meeting to introduce myself to students and parents.
- Finalize schedules for the 2021-22 school year.
- Plan Family Engagement Activities for the 2021-22 school year.
- Ensure curriculum needs have been addressed.
- Ensure supply needs have been addressed.
- After meeting with staff, PTO, parents, and students identify list of priorities for the 2021-22 school year.
- Update parent/student handbook.
- Evaluate extra-curricular activities.
- Meet with Data Insights to arrange data visualization services.
- Plan Open House/Orientation

July 1-July 31

- Hire staff if needed.
- Ensure whatever facility needs identified in June have been addressed. Make sure classrooms are ready for the return of teachers.
- Prepare to implement marketing plan.
- Meet with PTO to provide update since previous meeting.
- · Review enrollment numbers.
- Plan professional development sessions for when teachers return.
- Meet with admin to review/create evaluation procedures to ensure consistency.
- Check on all curriculum and supply orders.

August 1-August 31

- Hire staff if needed.
- Send out-call messages to families with back to school information. i.e Orientation,
 1st day of school, etc.
- · Review enrollment numbers.
- Welcome teachers and staff back to school.
- Provide initial staff development.
- Celebrate accomplishments from the 2020-21 school year.
- Address areas of growth.
- Identify/Review school-wide initiatives. i.e. Leader in Me
- Welcome students back to school.
- Engage with students
- Walk classrooms with admin team to calibrate supervision practices.
- Attend PTO Meeting.
- Implement marketing plan.

SOMERSET ACADEMY OF LASVEGAS STEPHANIE CAMPUS

2021-22 Marketing Plan

Objective: To bring awareness to the community of the many positive aspects of the school.

Strategy #1: Define Our Brand-

- Establish what makes our school different from the rest.
 - Teachers
 - o Programs

Strategy #2: Communication-

- Plan communication activities that will expand our school's presence, develop relationships with the community, and encourage referrals.
- Ensure all staff understands the school's mission, vision, and values, and knows which ideas to emphasize and repeat when interacting with the public.

Strategy #3: Prioritize Digital Marketing-

- Search Engine Optimization (SEO)
- Ensure website is easy to navigate
- Continuously update our website with things like news, events, and teacher/student spotlights to stay in touch.

Strategy #4: Conduct Satisfaction Survey-

Somerset Academy-Stephanie

Dear Families; May 10, 2021

It is with great pleasure and enthusiasm that I write this letter of introduction to you as your new principal. My name is Darryl Wyatt and I am honored to have been selected to lead a school that has such a rich educational tradition. I am proud to be part of a community that places such a high value on learning. It is abundantly clear that Somerset Academy-Stephanie is a unique and special place.

Professionally, I was an administrator with the Clark County School District since 2001. I served as principal in both elementary and middle school. Prior to becoming an administrator, I taught in 5th grade and 2nd grade. I am excited to bring my skills as a school leader to Somerset Academy-Stephanie, and to work with the families and staff as a partner to maximize learning for each and every student.

One of the most important aspects of my work here will be building positive relationships with students, staff, and families. You will find me in hallways, classrooms, and events. My passion has always been educating students. With that in mind, I will work diligently with all staff to ensure our students are exposed to curriculum and instruction that is both engaging and challenging.

As a principal, I realize the challenges that come with educating children and recognize that we must all bond together to achieve success. I look forward to meeting you in the coming days as we continue the great work that has been started here at Somerset Academy-Stephanie.

Sincerely,

Dr. Darryl Wyatt Principal

David Fossett

Work Experience

Administrative

2019-Current

SOMERSET ACADEMY LOSEE CAMPUS K-12

LAS VEGAS, NEVADA

Assistant Principal. Oversee Title I and grants. Supervised middle school teachers, hiring, curriculum, instruction, and discipline. Supervise elementary grades 3-5, hiring, curriculum and instruction. Conducted data chats and coordination meetings with staff. Integral role in technological, curricular, and logistical transition at start and throughout pandemic for K-12.

- MAP & iReady score increases trending toward 3-star performance in MS (2020)
- ES Star Projection of 3 Stars based on MAP & iReady score growth (2021)

2017-2019 **TONOPAH SCHOOLS K-12**

TONOPAH, NEVADA

Assistant Principal and Principal.

Performed all duties assigned to a site administrator including: hiring, discipline, budget, athletic supervision, personnel observation/evaluation, teacher training, etc. Additionally assumed the role of Athletic Director and subsequently hosted an NIAA Football Playoff Game, NIAA Volleyball Regional Tournament, and NIAA Wrestling League Duals as Tournament Director. Led team in preparation for AdvancED Accreditation review of the HS campus.

- Increased graduation rate from 53% to 96% in 1st year, maintained 2nd year
- Increased from 1 star to 3 stars on NSPF
- Implemented PBIS resulting in a 90% reduction in tardies, decreased number of suspensions, and an increase in overall credit sufficiency

Teaching

2015-2017 CENTENNIAL HIGH SCHOOL

LAS VEGAS, NEVADA

Math Teacher. Taught Algebra I and Geometry. My freshmen passed the Math I End of Course exam at a rate of 73%. Coached JV Wrestling and chess. Administrative Internship with Dean of Students and Assistant Principal.

2013-2015 WESTERN HIGH SCHOOL

LAS VEGAS, NEVADA

Math Teacher. Taught 3 sections of Algebra II with 3 sections of Math Fundamentals each year. Started with 0% math proficient students which increased to over 60% proficient by

second semester and over 75% by the end of the school year. Overall school improvements (of which math was a large contributor) lead to us receiving the only turnaround zone school stipend awarded in 2014 in CCSD.

2013-2015 **TUTOR KINGS**

LAS VEGAS, NEVADA

Private Tutor. Hired by recommendation of a fellow faculty member at WHS. Received veteran teacher hourly rate: \$40/hr. Tutored Spanish 1-4 and Pre-algebra, Algebra I/II, Geometry, and Pre-Calculus.

2013-2015 TEA

TEACH FOR AMERICA

LAS VEGAS, NEVADA

Corps Member. Selected from more than 57,000 applicants nationwide to join national teacher corps who commit two years to teach in under-resourced public schools. Required professional developments in the summer and throughout two-year commitment.

MISSIONARY TRAINING CENTER

PROVO, UTAH

Spanish Teacher. Promoted to Lead Teacher after one month of teaching, requiring me to mentor a new teacher. Assigned to and mentored other new teachers subsequently.

Fellowships

2011-2013

2020-2021 SAGE AND SYSTEMS FELLOWSHIP

Year-long experience for a cohort of 25 TFA Alumni to build community, meet local leaders, and increase knowledge and skills around systems-change while learning together about what it will take to end educational inequity.

2021 ASPIRING SCHOOL LEADER FELLOWSHIP

Mentor. One of eight selected to mentor other TFA Alumni in school leadership practices.

2020 **DORAL LEADERSHIP INSTITUTE**

The program includes approximately 50 hours of leadership training specifically focusing on learning about effective charter school leadership.

Endorsements DOE – STATE OF NEVADA

School Administrator Secondary Mathematics

Teaching English as a Second Language

David Fossett

February 18, 2021

To whom it may concern:

I present myself as a candidate for the Principal position at the Somerset Academy - Stephanie Campus. I currently serve as an Assistant Principal at Somerset Academy - Losee Campus. I have a proven track record of quantifiable success in every position I have served in my educational career from teacher, coach, high school administrator, middle school administrator, and elementary school administrator. I know that the Stephanie Campus has achieved amazing results which they should be proud of. I am confident that upon being hired, I will be able to assess the current climate and direction of the Stephanie Campus and help them make any needed changes to continue to achieve success.

From 2017-2019, I worked as an Assistant Principal of Tonopah Schools K-12 which provided me with experience in hiring, evaluating, creating educator assistance plans, student discipline, employee discipline, district committees, school accreditation, PBIS policies and rewards, etc. During my tenure, we improved the credit sufficiency and graduation rate tremendously and the school increased from what would have been a one-star rating (no NSPF star ratings in 2016-17 school year) to three stars. I was promoted to Principal of Tonopah Schools K-12 in May 2019 following a successful two-year period as Assistant Principal. It was then that I received the job offer to work as an Assistant Principal at Somerset Academy Losee.

I was assigned to supervise the Losee Middle School, which had just received a low two star rating. We immediately began hiring as teachers were turning over right at the beginning of the school year. We implemented grade level and content collaboration meetings for teachers with a focus on clear standards-based instruction. As a result by the winter MAP assessment, Losee MS was trending towards a three star NSPF rating. With the transition to quarantine in mid-March, I became a K-12 asset due to my experience with distance learning platforms in my doctoral classes. I provided all the initial staff zoom trainings and supervised Edgenuity participation, progress, and attendance for all of grades 6-12. Over this past summer, I worked in conjunction with Principal Scobell to hire teachers for the ES & MS vacancies. With elementary school being projected as trending toward a one-star rating from MAP and iReady assessments, I took the challenge to work in the elementary school. With the addition of quality new hires and support for existing teacher talent, we now currently project Losee ES at 3 Stars and potentially even 4 Stars.

I appreciate the opportunity that I have been afforded over the last two years to learn about Somerset Academy from within the system and feel confident in presenting myself as an ideal principal candidate for the Stephanie Campus. I look forward to hearing back at your earliest convenience.

Sincerely,

David Fossett Assistant Principal Somerset Academy - Losee Campus Name: David Fossett

What does your first 90 days as principal look like?

With June 1st being the start date, I would begin in the summer with most of the staff out on summer break. It will be essential to meet individually with members of my admin team, office staff, and any year round support staff employees that I can meet with in the summer. I will send an invitation out to all members of the staff to be able to schedule a one on one meeting with me over the summer, but allow it to be completely optional in respect of their time off and give staff members the opportunity to meet with me when they return in the fall as well. One of the first meetings that I have with the administrative team will be to review the prior school year's data, successes, challenges, and begin to plan out what we need to do to finish preparing logistical efforts for the next school year (i.e. hiring, curriculum, committees, school initiatives, PD for the first two weeks of school, review onboarding and orientation procedures, delineate responsibilities for leadership, clubs, activities, etc.). Over the summer it will be essential to address all of these items so that in the first few weeks of school, I can be out of my office welcoming students onto campus, visiting every classroom, talking with students at lunches & recesses, and getting to learn and be involved in the culture of school from the very beginning. I need to see everything and everyone and they need to see me. After those first few weeks, I will be able to scale it back and balance between classroom and office demands during the school day as both will be important to the daily operations and development of the vision for future success of the Stephanie campus.

As you hire teachers, support staff and other administrators, what professional qualities will you look for in each candidate you select to work in a K-8 campus?

Given that the candidates meet the technical requirements of the job, I will always look to hire a support staff, teacher, or administrator that demonstrates enthusiasm, dedication, and even passion for the mission and vision of Somerset Academy. On top of that conviction, I want to hire someone that can build meaningful relationships as that is essential in all we do in education as we work with students, families, and colleagues. I will also look for new employees that are effective communicators, collaborators, and that continually seek to develop themselves professionally through continuing learning opportunities both formal and informal.

How will you ensure that continuous improvement of instructional practices take place to maximize student learning?

The number one way that I will ensure that continuous improvement of instructional practices is taking place is that I will be there to observe the improvement first hand in the classrooms. I will also have the assistance of my administrative team and instructional coaches to provide feedback to our instructional staff based on their observations. As needed, I will conduct instructional rounds with members of my admin team or coaching team for calibration. In addition to the observations, I will need to review the formative student performance data throughout the year from interim assessments such as MAP and iReady with teachers in order to facilitate the reflection and identification of instructional practices that need to be improved.

Somerset Academy incorporates opportunities for staff to meet and discuss data throughout the school year. How would you make the best use of this allocated time?

It is important to develop research-based protocols to follow during any data discussion, so that would be the first point of planning. Teachers would meet in their PLC to review the following data points based on relevance: common formative assessment, MAP, iReady, SBAC, WIDA, etc. Leadership would determine the common trends of both achievement and deficiency denoted in the data for school-wide assessments by grade level and teacher and subsequently have the data chats with grade levels/teachers during designated data days. It is also important to identify what the data may not be telling us. An important part of protocol will be deciding what the next steps we as educators need to take in order to not only maintain achievement, but improve upon the identified deficiencies. There should also be time allotted to celebrate successes in order to recognize efforts and foster optimism.

Meagan K. Hoffmann

"Education is not the learning of facts, but the training of the mind to think." – Albert Einstein EMPOWER

"Every student can learn, just not the same way, or in the same day." – George Evans GROWTH

"Learning and teaching is messy stuff. It doesn't fit into bubbles." – Michele Forman INNOVATIVE

2018 to current- Assistant Principal

I currently hold the position of K-8 Assistant Principal at Somerset Lone Mountain. This year I supervise 17 teachers. Upon completing my M.Ed. in Educational Leadership, I was able to participate in the initial Doral Leadership Institute. The exposure and mentoring by former Principal, Sherry Pendleton these past years have given me the ability to be an instructional leader. My role focuses on data driven instruction and analysis, standards, and engagement. Within this role the end in mind, is meeting student needs and achievement. I have had opportunities to collaborate and professionally develop side by side colleagues through this ever-changing time. I strive to be an innovative component, in developing a school culture that is reflective and positive, while focusing on student achievement.

Some responsibilities include, but not limited to:

- Purchasing and budgeting.
- Collaborate and create policies for virtual and hybrid reopening plans.
- Proposal of the Somerset Academy half-day AM/PM hybrid schedule to principals.
- Collaborate with the Dean on our EOP.
- Reporting to the State of Nevada and Department of Education.
- Development of a staff kid program for reopening 20-21 school year.
- Help parents navigate and problem solve online learning.
- School Social Media account.
- Determine the annual administration team book study.
- Collaborate and mentor to the Instructional Coach.
- NSLP administrator.
- MAP testing coordinator and facilitator.
- MAP data analysis in ELA and MATH.
- SBAC/CRT test coordinator.
- Student Discipline.
- Attendance policies, procedures, and parent meetings.
- Attend monthly meetings to collaborate with Somerset Assistant Principals.
- Administration team meetings both on site and at Academica.
- Attend professional development alongside my teachers.
- Provide system-wide professional development.
- Provide support to teachers and families in any and all needed situations.
- Attend GLP meetings and long range planning meetings with grade levels.
- Mentor teachers in providing quality instruction, vertical alignment of standards, and the understanding of student learning targets.
- Conducted 3 observations minimum annually on all teachers as best practice.
- Guide supervision in parent communication.
- Data driven instruction based on i-Ready and NWEA results.

2016 to 2018- Leadership Team: Instructional Coach/ RBG3 Strategist

I had the privilege of being part of the founding Somerset Academy's first literacy team, as a Read by Grade 3 Learning Strategist and K-8 Instructional/Curriculum Coach.

Some responsibilities include, but not limited to:

MAP testing facilitator/coordinator.

- MAP data analysis in ELA and MATH.
- Professional development in ELA (The Big 5, including Explicit Phonics), Behavior Management (CHAMPS),
 Cooperative Learning Strategies (Kagan), Charlotte Danielson model, Small group differentiation, Professional Learning Communities, and the SIOP model.
- Teacher Mentor program utilizing the FfT.
- All requirements of SB391 (Nevada Kids Read Law).
- Parent University and miscellaneous parent nights.
- Administrator in charge, when campus administration is off campus.
- Attend monthly system wide meetings to collaborate with other Somerset Academy Instructional Coaches.
- Attend bi-monthly system wide meetings to collaborate with other Somerset Academy Read by Grade 3 Learning Strategists.
- Integration of CHAMPS.

2015-2016- Teacher/ Grade level chair

I joined the Somerset Academy family and was a part of opening the Somerset Academy Lone Mountain campus, as a 1st grade teacher.

- · Grade level chair.
- Set new traditions and foundations.
- New Teacher mentor.

Professional development opportunities, in the Somerset System (including leadership opportunities):

- Doral Leadership Institute
- Be About It Conference
- Eleot
- Cognia (March 2021)
- Educational Leadership: The "Right Work" of K-8 Principalship
- NCSA Austin, TX/ Las Vegas, NV
- Standards based grading with Marzano
- PLC- Professional Learning Communities
- AMLE Orlando, FL
- Department of Education webinars
- RPDP Big 5 literacy Instruction
- Charlotte Danielson Mentoring Matters
- NWEA MAP assessments
- Brigance Early Childhood Screener
- Super Kids, Zaner-Bloser
- LETRS literacy training
- Ron Clark Academy
- Leader in Me
- I-Ready
- SDE Conference

2008 to 2015-Teacher/ Grade level chair

I was employed with CCSD, I taught PE, 1st and 2nd grade.

- CHAMPs behavior management coach.
- Grade level chair.
- New teacher mentor for teachers new to CCSD.
- Practicum and Student teacher mentor for UNLV students.
- Treasurer/co-advisor for Social Committee.
- School Safety Committee/ School Discipline Committee.
- Math committee.
- School Discipline Committee.

Education

Associate of Arts- College of Southern Nevada

Bachelors of Science in Elementary Education K-8, University of Phoenix

Masters of Arts in Educational Leadership- Administration, American College of Education

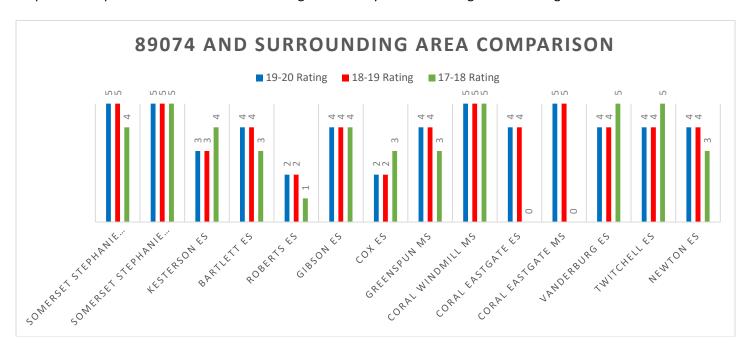

Somerset Academy- Stephanie Campus Home of the Sharks. When the going gets tough, Sharks get swimming!

As a founding teacher and now administrator of Somerset Lone Mountain, I have served on the Leadership Team in many capacities for the past 6 years. I have spent 70% of Somerset's existence in the halls of a current 5 Star campus. To think that Somerset of Nevada will be entering double digits, is really exciting! I have been part of the journey for 6 of those years, this really fills me with pride. I have a strength in Professional Development, Data, Curriculum and Instructional Best Practices. In addition, relationships built within the Somerset and Academica families allow me to be a productive and resourceful part of any team. Moving forward my end in mind is to develop Teacher Leaders and maintain the high rigor Stephanie students are familiar with. I have an interest in planning system-wide professional developments, based on statistical need. Focusing on professional development in engagement and content will provide all staff within our system to grow professionally, in turn supporting student achievement. I represent the Somerset, Charter School way. I am with Somerset by choice, for my career and my family.

The 5 Star Journey

Somerset Academy Board of Directors has set a goal that all Somerset Campuses will be 4 or 5 Stars by 2022. For the Stephanie campus this means the continuous rigor necessary for maintaining a 5 Star rating.

Somerset Stephanie campus has solid Kindergarten, 4th grade, and Middle School teams. These teams utilized proven best practices in engagement and instruction. This is reflective in mid-year data and projections, presented by Jessica Barr at the Strategic Planning Meeting in March of 2021. Currently, they have a departmentalized 5th grade and are looking to hire both Reading and Writing within this team. This, in combination with the mid-year projections will be a focus for administration continuing next year. Growing teacher capacity and sustainability will result in student achievement. For the 2021-2022 year, teachers at Stephanie need to focus on instructional strategies, engagement and use of the i-Ready individual learning path. Utilizing student level data through the PLC model and benchmark data conversations, will ensure that every student is on track to reach their projected growth targets. A continuous pulse on

every student will maximize the student's abilities. I-Ready is a system-wide program that allows teachers to navigate individual learning paths and standards focused learning paths. Using this program religiously will grow the students at Stephanie. Curriculum on the Stephanie campus is solid and no change is necessary to see the desired results. Teacher leader opportunities are present on the Stephanie campus. Moving forward with a weekly PLC meeting focusing on the 4 questions of PLC. Increasing engagement in students through multiple levels of professional development. Stephanie currently utilizes a Coaching approach within their Leadership Team. It is vital to keep this as part of the culture within Stephanie.

K-8 students will hit projected achievement goals in ELA and Math, to continue to support the growth model and mindset that every student will show growth. Stephanie instructional staff will support teachers through the PLC process and innovative thinking to challenge all students. Utilizing data to drive instruction will be obtained through Fall disaggregated data provided by Dr. Barr, with identified students and student populations. These data chats will continue as part of the culture to grow students, throughout the year.

Nevada Kids Read, the artist formerly known as Read by Grade Three, will allow teachers to identify students that are not on track for proficiency as an early intervention. This measurement through NWEA fall benchmark scores and used in combination with i-Ready benchmark data, will allow teachers and instructional support staff to provide interventions at the student's level. Measuring students through benchmark assessments and weekly PLC meetings will show a true trajectory of the student's path towards proficiency.

English Language Learners will be able to show growth in WiDa Assessments, through ongoing interventions year after year. Teachers and Instructional staff will utilize the i-Ready learning path in conjunction with the SIOP model of instruction to provide learning opportunities to all students that will benefit from this structure, both identified and unidentified as English Language Learners.

Special Education students will be provided individual learning opportunities that fit their learning path. Students will be exposed to all grade level curriculum through an inclusive model. Students will have scaffolding in place that provide growth towards standards through utilizing the connector standards. Creating individualized goals based on i-Ready targets, will allow teachers and instructional staff to measure growth more that every trimester. Collaboration between all stakeholders will be vital for the student's success.

Gifted and Talented Educational needs are present on all Somerset campuses. Enrichment will be embedded and opportunities for students to utilize individual gifts will not only be through the i-Ready learning path, but through project based learning and applications. This program should be integrated and additional funds must be available and utilized to advance young minds of great potential.

All Somerset Stephanie students will grow and shine through their individual journey. As an academic institution that is providing opportunities that align with our mission to cultivate life-long learners and leaders, we must always create the magic within our walls. All decisions will be filtered through the mindset "What is best for kids?"

Welcoming New Sharks

Without students in our building, we cannot lead them into greatness! Below are the current enrollment estimates and plans to ensure that students are enrolled at the campus. The end in mind is to keep consistent enrollment numbers and to grow every student within a 5 Star institution.

Enrollment 2020-2021	Confirmed Enrollment 2021-2022
----------------------	--------------------------------

969	946
Impact: Daily rate and the potential loss of \$1200 dollars per student, if that seat remains empty April 5 through May 21.	Impact: With new Charter and District Schools opening in close proximity to Stephanie Campus, enrollment and setting Somerset apart is the necessary focus. With upcoming competition, to an already apparent issue, being innovative in recruiting families is what will determine 2021-2022 operations.
Possible Action: Exhaust wait list in Kinder through 2nd, to secure the remaining spots prior to the end of the 2020-2021 year.	Action Plan: Somerset Stephanie is a 5 star ES and 5 star MS. Market ALL grade levels and highlight the Charter School experience in the community. Use Academica resources for mailers and provide outreach registration opportunities. Market with new home communities within a 10 mile radius. Currently this is 101 communities. Use news outlets to promote enrollment. Develop a Gifted and Talented program to draw potential populations.

Charter schools are notoriously known for "doing more with less". Somerset Stephanie is proving this! Somerset Stephanie's per pupil expenditures for 2019-2020 was \$6,346.00. Surrounding schools in the 89074 zip code were within a range of \$7,207.00 -\$9,484.00 per pupil expenditure. Somerset Stephanie has outperformed neighboring schools and continues to. The people of Henderson need to hear more about this great academic option available for their children!

Clark County School District has a proposed school just South of the 215. This school was proposed to relieve overcrowding at Vanderburg, Twitchell and Newton. This school will offer both STEM and GATE. These are areas Stephanie will need to remain competitive. Coral Academy already has campuses in Henderson. They are opening a Cadence campus. SLAM will be opening their K-5 campus in the fall as well. It is vital to look at the upcoming enrollment in combination with the new schools opening. Marketing and recruiting to new homes and businesses in the area with a big push Spring 2021.

Name: Meagan Hoffmann

What does your first 90 days as principal look like?

My first 90 days as a principal is built upon relationships. These relationships are with staff members, parents, and students. This relationship will then influence and become part of the school's culture. I feel that there is a necessity for long term goals and non-negotiables, in addition to these relationships. Together, as a team, the staff and families will be able to actively contribute to our culture, which will foster student achievement. It is important to gather all stakeholders' voices. This will be done through surveys, Q and A Sessions, and potential in-person town hall meetings (pending Governor's approval of course). Ultimately, I am a new face, and big changes right away would be too much. I must be willing to listen and learn, if long-term success wants to be attained. "To lead effectively, one must simultaneously maintain visibility of both the details and the Big Picture. Leaders must constantly find ways to optimize their own efforts, as well as those of their teams." —Regan Bach, 2017

As you hire teachers, support staff and other administrators, what professional qualities will you look for in each candidate you select to work in a K-8 campus?

As team members are hired, by peers and grade level teams, it is important to find not only what I seek, but what they seek as a team to be successful. As a member of a successful team and years of participating in the hiring process, it is important to look for potential and out of the box thinkers. I believe that each member of a team, will bring a unique quality and within that a unique energy exists. I look for staff that is passionate for kids! This is seen through collaboration, reflection, innovation and growth mindset.

How will you ensure that continuous improvement of instructional practices take place to maximize student learning?

I am a fan of continuous staff development. However, it MUST be purposeful. Stephanie campus, currently has 3 staff members that serve in a teacher support role. Collaboration on the current model and "toss, tweak, change" would be necessary in the process. Currently, my experiences with professional development are embedded into a weekly schedule. In a typical year, teachers receive 2 hours per week and 1 formal PLC block per week. All needs are aligned with student outcomes and designed to offer staff a professional development opportunity they will find purposeful in growing themselves and their students.

In addition to professional development plans that target both teacher and student needs, an observation cycle of 3 per year, is a best practice I have used since becoming an Administrator. Yes, this is time consuming and during our current pandemic, extremely challenging. However, the reflection and growth that comes from every observation cycle, is powerful. Teachers are able to create focuses in their craft that will benefit their student achievement. The good old adage, "You don't know what you don't know" cannot be an acceptable philosophy in education. There must also be a trust built with this cycle that teaches do not feel that someone is out to get them.

Somerset Academy incorporates opportunities for staff to meet and discuss data throughout the school year. How would you make the best use of this allocated time?

I would like to use these data days to align with current benchmark windows. With the switch to i-Ready system-wide, it is important that teachers have the proper tools to be successful and training to take the level of MAP data analysis and make it comparative for teachers to utilize with i-Ready. This will foster teacher leaders, to collaborate and lead peers when providing resources. The first data day would allow for the understanding and implementation of i-Ready. Once, this foundation has been laid, it will allow for teachers to not only utilize these data days for analysis, but then conform it into planning on a student level. This data driven instruction will then be continuously monitored with the PLC model, that looks at the student level data and understanding of content standards. This is ongoing throughout the year, with data days being the Deep Dive.

Meeting Date: April 6, 2021
Agenda Item: 6 – Discussion and Possible Action to Appoint a Principal for the
Stephanie Campus

Estimated Length of time for consideration (in minutes):		
Background: Following discussion regarding academic impact of classroom size		
during the strategic planning meeting Member Bentham tasked the principal		
cohort to present a recommendation for class size average for elementary,		
middle, and high school grades partnered with the flexibility to have the class		
size be the average in the grade level		
Submitted By: Staff		

Meeting Date: April 6, 2021
Agenda Item: 8 – Review and Approval of Initial Budget for the 2021/2022
School Year
Enclosures: 1

Plan of Finance

Overview of the Series 2021 Bonds*

- Somerset Academy (the "Academy") is preparing to issue Charter School Revenue Bonds,
 Series 2021A and Taxable Series 2021B (the "Series 2021 Bonds").
- The proceeds from the proposed Series 2021 Bonds will used to acquire the Aliante Campus and Skye Canyon Campus and campus improvements below:
 - \$17,672,000 Acquire the Aliante Campus & \$600,000 for campus improvements
 - \$13,397,000 Acquire the Skye Canyon Campus & \$600,000 for campus improvements
- Financing the campuses with bonds is projected to save the Academy approximately \$5.2 million over a 10-year period compared to scheduled lease payments.
- S&P Global Ratings affirmed its 'BB' long-term rating to the Series 2021 Bonds with a 'Positive' outlook.
- The Series 2021 Bonds are scheduled to price on April 14th, at which point in time the interest rates on the bonds will be set.
- Closing is scheduled for May 4th.

Delegation of Power for the Sale of the Series 2021 Bonds

Parameters Overview

- The proposed parameters are designed to provide the Academy with flexibility to access the bond market in a timely and efficient manner, with the goal of achieving the lowest possible cost of funds.
- In a delegated sale, the Board delegates final pricing authority to the selected pricing officer(s).
- The delegated pricing officer(s) may only approve funding if all parameters listed below are met:

Parameters Overview (Series 2021 Bonds)	Current Market Estimates*
Maximum Allowable Par Amount \$38,500,000 Par Amount of Bonds	\$33,310,000 Par Amount of Bonds
Maximum Allowable Interest RateTrue Interest Cost: 5.150%	True Interest Cost: 4.37%
Maximum Monthly Payment\$275,000	Maximum Monthly Payment: \$235,985

^{*} Preliminary and subject to change. Rates as of March 29 2021.

Series 2021 Bonds

Footnotes:

- 1. Projections provided by the School
- 2. Assumes Lease Payments for the Skye Canyon and Aliante Campuses through 6/30/2021
- 3. Debt Payments reflect monthly payments made to the trustee for the Series 2019 and Series 2021 Bonds.
- 4. Systemwide Operating Expenses plus Systemwide Annual Facilities Lease expense, Series 2015, 2018, 2019, & 2021 interest expense.
- 5. Beginning Cash as of 6/30/2020 per the FY 2020 Audit.

Series 2021 Bonds

Security and Key Financial Covenants – Proposed

Pledged Revenues received from the Obligated Group

Lone Mountain, Skye Canyon, and Aliante Campuses

- <u>Fee Simple Mortgage</u> on real estate associated with Lone Mountain, Skye Canyon, and Aliante Campuses.
- Fully funded Debt Service Reserve Fund equal to one year's Maximum Annual Debt Service.
- <u>Custodial Account and Control Agreement with Zions Bank</u> to direct monthly State transfers to the custody
 of the Custodian and grant Custodian the ability to direct the disposition of payments made by the State into
 subaccounts created under the Custodial Agreement.

Debt Service Coverage

The Academy shall maintain Net Income Available for Debt Service in an amount equal to <u>at least 1.10</u> <u>times Annual Debt Service Requirements</u> on all Obligated Group Indebtedness then outstanding.

Days Cash on Hand

The Borrower shall maintain unrestricted Cash on Hand in its operation fund sufficient to cover at least forty (40) days of the Borrower's Operating Expenses.

Series 2021 Bonds

Summary of Bond Covenants – Proposed

The Academy is subject to certain bond covenants which include:

<u>Additional Bonds Test</u> – One of the following two tests must be passed (A&B or C):

- A) <u>Historical Coverage on Outstanding Debt.</u> Delivery of a certificate signed by an Authorized Representative of the Borrower stating that, for the Borrower's most recently completed Fiscal Year immediately preceding the issuance of the additional Debt, the Net Income Available for Debt Service for such Fiscal Year equaled at least 1.1 times the Annual Debt Service Requirements on all Long-Term Indebtedness then Outstanding; and
- **B)** Projected Coverage for Additional Debt. Delivery of a report of an Independent Consultant stating that the estimated Maximum Annual Debt Service on all Indebtedness (existing and proposed) is less than 20% of estimated Pledged Revenues for the most recent Fiscal Year for which a budget has been adopted.
- **C)** Alternate Coverage for Additional Debt. In lieu of the requirements above, Officer's Certificate stating that, based on the audited results of the operations for the most recently completed Fiscal Year, the Net Income Available for Debt Service is equal at least 1.10 times Maximum Annual Debt Service on Indebtedness then outstanding as well as the Long-Term Indebtedness proposed to be issued.

Somerset Academy of Las Vegas

Janitorial Services Bid Process Summary

Objectives:

To secure quality bids via the public bid process by providing thorough specifications of services to the interested bidders.

To concisely and accurately present results of the bidding process; including management's recommendation as well as a staff's recommendation from the School Administration

To support the Board of Directors in concluding this process by their selecting of a provider for each school.

Process Description:

As of October 2020 the six schools listed began a contract with Magic Brite janitorial, due in large part to the attractive savings. Magic Brite had performance up and downs and it became necessary to remove them from the schools at different times over the last 3-4 months. All of the campuses had to go to a month to month agreement; Brilliant was selected by most campuses due to the performance that Sky Pointe was receiving under their new contract with Brilliant. North Las Vegas chose ABM as a monthly provider because ABM was able to restore the same crew that the Administration of that campus was familiar with and approved of their previous performance.

All six campuses below request that they keep their current provider as specified. The following sheet provides the financial comparison for all six bidding companies.

Recommendations: Approve as presented below; based on staff preference.

School /Size Sq. Ft.	Provider/Price SQ FT	Monthly	Annual	Current Budget
Aliante	Brilliant	\$7,942	\$95,299	\$103,220
70,142	.113			
Lone Mountain	Brilliant	\$6,349	\$76,192	\$82,537
56,215	.113
